SKILLS

- Thorough knowledge of **Windows** and **Ios** operative system
- Competent in using **GIS**
- Highly competent in using **LSR 2D** produced by Stacec.
- Competent in using **Petrel** produced by Schlumberger.

PERSONAL STATEMENT

Enthusiasm, initiative and dynamism have always pushed me to move forward both in my studies and in my life. What I try to do is to set goals to be achieved: once I've made it, I look for something that allows me to grow personally and professionally. I adapt easily to new environments and work situations, therefore I am really interested in working both in Italy and in other foreign countries.

WORK EXPERIENCE

Engineering Geologist
CMGeoservizi
Roma

Mar – Jul 2019

Non-invasive exploration of the subsoil (gravimetry, geoelectric measurements).

Geologist trainee
Sunrise onlus - Madagascar

Sept 2018

I have been conducting a geological and geophysical campaign in which stratigraphy and geoelectric studies have been carried out, in order to allow the exact location of a new well for water.

EDUCATION

International Master in CO2 geological storage

Sapienza Univeristy- Zagreb Univeristy

Feb-Nov 2020

**Tenerife International Training Course
In Volcano Monitoring**

Instituto Volcanologico de Canarias

May 2019

MSc in Engineering Geologist
Siena University

2017- 2019

BSc in Geologist
Roma Tre University

2013- 2016

LANGUAGES

English : IELTS 6.5 - B2

French : B1

Spanish : B1

CERTIFICATIONS

- ✓ **Goldsmith**
Art institute of Siena
- ✓ **IELTS**
- ✓ **Polished Diamond Grading Certificate**
IGI Roma

THESIS

- ❖ **2ND level Master Thesis in CO2 geological storage**
Title : “ North Italian CCS scenario for the cement industry ”
- ❖ **Master Thesis in Seismic Micro-zonation**
Title : “Analysis of local seismic response in semi-infinite basins”
- ❖ **Bachelor’s Degree Thesis in Mineral Resource**
Title : “ Blue Egyptian synthesis”

HOBBIES & INTERESTS

I love travelling and learning about new culture.

I like practise lots of sports.

In my spare time I’m a volunteer at Bambino Gesù Hospital in Rome.
